INVICTUS

1982 VOLUME V

**Cumberland Regional High School
Seabrook, New Jersey**

Getting

"Well, it's like this, ya see . . ."

"You put your right hand in . . ."

A one and a two . . .

The gang's all here.

Are you sure it'll get to Santa on time?

"Now what are we gonna do?"

Together

"Tickle, tickle, tickle!"

"Uh-oh... there goes your other finger."

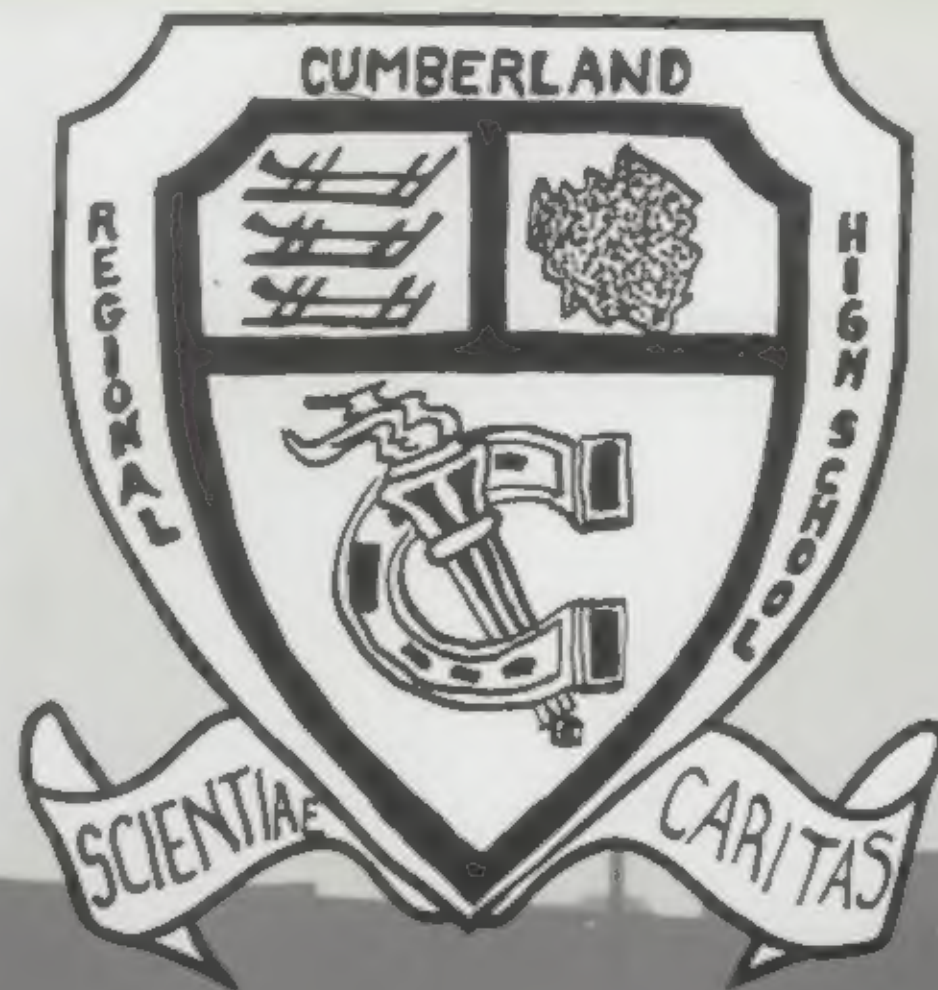

"What do you think, Billy?"

"Ouch! That hurts!"

"Has Mary Riley grown horns?"

Our crest symbolizes Cumberland Regional High School's relationships with our state and with our school's name, mascot, and commitment to learning and knowledge.

The three plowshares represent the importance of agriculture in the area. The map represents Cumberland County, New Jersey, from which our school derives its name.

Symbolic of our mascot, "The Colt", the horseshoe also represents the letter "C", the first letter in the name of our school and county.

The "Torch of Learning" interlocked with the horseshoe represents Cumberland Regional's quest and commitment to learning. The scroll has the Latin words "Love of Knowledge", again signifying our commitment to education.

Alma Mater

O Cumberland Regional,
You are the best!
You're learning and reaching
and passing the "test"
Of decency, loyalty,
building a dream . . .
To our Alma Mater
We cheer as a team.

Your glory we'll sing
for years without end
O our Alma Mater,
Our dearest friend
Encouraging, challenging
as years go by
To our Alma Mater
Sing praises to the sky!

By Michael Sacharnoski
Class of 1981

Invictus

Out of the night that covers me,
Black as the Pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul.

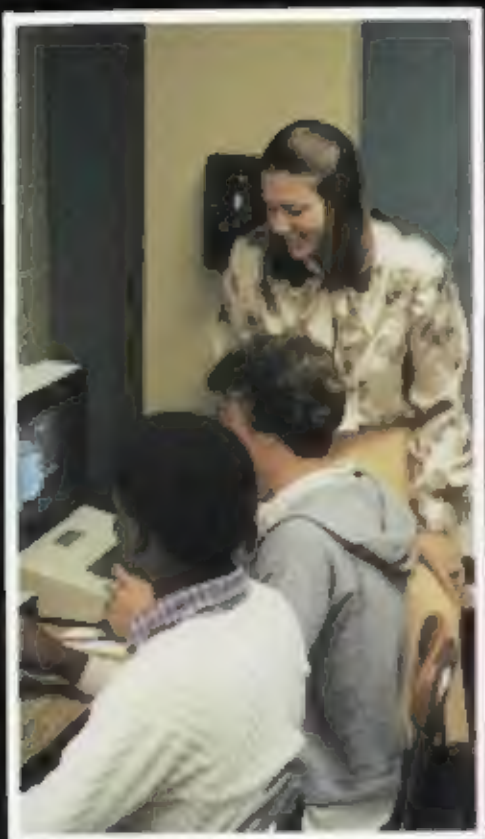

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody but unbowed.

Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds and shall find me unafraid.

It matters not how strait the gate,
How charged with punishments the scroll,
I am the master of my fate:
I am the captain of my soul.

John, "Sesame Street" is on next.

"Keep your hands off the wall."

And now for the second step of this simple problem,

Bad news, the test is cancelled.

"One of us is wrong, and it's not me."

"Dear Abby . . ."

Mr. Landon sheds light on the subject.

To the Class of 1982

As a sculptor must overcome many problems and obstacles in molding a work of art, so too must you overcome many formidable barriers in shaping your lives. This metaphor can be carried even further as your labors may be properly termed an art that requires intense devotion and commitment in order to meet the requirements for graduation each of you has demonstrated that you possess these two traits.

Basically, young people have a natural desire to develop skills which will allow them to control aspects of their environment. Our society today is permeated with the need to achieve mastery over things.

I am certain that you have found your learning experiences here at Cumberland Regional High School valuable in their total contribution to your intellectual, physical, and emotional development.

My best wishes for many years of good health, happiness, and success.

Sincerely,

Fred J. Procopio, Superintendent

Principal

THE CLASS OF '82

The theme of the '82 Invictus, "Scrapbook", is extremely appropriate. This volume of the Invictus is a scrapbook of your senior year. It contains pictures and narratives of the year, your talents, energies and earlier studies.

The Class of '82 is significant one to me, in that your freshman year was also the year I became Principal. You are the first class to graduate in which I have had the pleasure of serving as Principal all four years. You have helped mold CRHS into the finest high school in Cumberland County. Throughout the school you have left memories, mementos, and other marks of your excellence. You will be missed, but it is exciting to realize that you will become a part of the future.

Years from now, when you look back on the pages of your "Scrapbook", you will remember the Class of '82. The Class of '82 will forever hold a special place in the history of CRHS. Be proud that you were part of a class that has made a difference in the future success of our school.

Best wishes and success in all your future endeavors.

Sincerely,

William A. Caldwell

SENIORS

Close your eyes and come with us to memory land . . . back, back . . . to our freshman year. In the eighth grade, we met Mr. Cary M. Chew, who was to be our class advisor for all four years at CRHS. A temporary steering committee governed us until we elected our class officers, who were: Robin Wolf, President; Kim Durham, Vice-President; Kim Wright, Secretary; and Michelle Mackie, Treasurer. Though new and a little frightened, we initiated money-making schemes, such as selling refreshments and pizza at dances. We sponsored a dance and ended the year with our Freshman Party, "Fantasy Island." Through the work of devoted decorating committees headed by Kim Mayhew, Meg Spoltore, Joan Webb and others, we constructed fantastic scenery such as a 40 ft. by 20 ft. house, a 16 ft. high volcano, a waterfall and a gazebo. Our native islanders greeted the guests with leis, while a DJ played our music.

As sophomores, with Mr. Chew and the same class officers, we made 1979-1980 a busy year. The first underclassmen to sponsor a successful 'T' shirt sale, we proudly wore our orange 'T' shirts, which proclaimed CLASS OF '82 COMING THROUGH. We made a homecoming banner, sold candy-grams, held a skating party and also sponsored a Valentine's and St. Patrick's Day dance. To top off a wonderful year, we decorated the gym with the makings for "Walt Disney's World", the Sophomore Party theme. With the combined efforts of Beth Kohler, Rita and Russell Earnest, Tony Lamanteer, Kim Mayhew, Peggy Peploe, Chris Masatani, Kathleen Jespersen, Anna Lisa Holme, Robin Wolf, Bobby Allen, Joan Webb, Meg Spoltore, Mark Pennington and many others, we made a pirate's cave, a ship with Captain Hook, Pete the Dragon, Snow White and the Seven Dwarfs and their house, Peter Pan, and Pooh Bear. On Main Street, street lamps glowed, and lighted dogwood trees provided by our "Secret Appropriations Committee" set the mood. An enchanted castle complete with bridge and moat was the finishing touch. We danced to the sounds of "Surrender" and had a great time.

As juniors, we elected Maria Gleydura, President; Mickey Haydak, Vice-President; Donna Dunkins, Secretary; and John Collins, Treasurer. Ready for anything, we tackled the new year with zest. For homecoming, we made a dazzling brown and orange "Welcome Home Banner", whose message welcomed the Colts from the back of the press box. We sold refreshments for the Booster Club and

showed our class pride by wearing Class of '82 football jerseys, designed by Lisa Allen. We sponsored a Christmas Eve dance, and also a bake sale featuring handsome hand-painted cookies and sweet breads. The theme of our Junior Prom was "Springtime in Paris." We built shops, a park with cafes, a peddler's cart and a very steep wooden bridge with real water. (Congratulations to those who made it over!) This year we had the efforts of Carol Wolbert, Donna Dunkins, Mickey Haydak, Robin Wolf, Ben Glaspey, Rita Earnest, John Collins, Troy Webster, Lisa Allen, Beth Kohler, Brian Hashimoto, BJ Carmen, Herb Carter, and many others to make our prom a success. Music provided by "Bad Sneakers" and "Rise added to the festivities. Finally, on Senior Step-up Day, we formally became seniors!

In our senior year, our class officers were Robin Wolf, President; Mickey Haydak, Vice-President; Donna Dunkins, Secretary; and John Collins, Treasurer. As seniors, we were caught up in a whirlwind of activity. Trying to decide what to do with

our lives, where to attend college, and what kinds of careers we wanted took up a lot of time! For homecoming, our theme was "King of the Colts", and muscular Vikings proudly bore our colt on an Egyptian throne. We sponsored a September dance and a Thanksgiving dance. We also had a Christmas Eve bake sale and sold candy-grams and Valentine carnations.

With the prom and the numerous activities of Senior Week, our final year at CRHS came to a close. Now, we look back through the pages of time, fondly remembering friends, teachers, and laughter shared. Though we will leave CRHS and our titles as Seniors to those who follow, we will take with us a treasure chest of special memories and experiences that only CRHS could have given us.

And they say... Women gossip.

If the boys won't dance, we'll just play basketball!

Our class advisor, Mr. Chew

Kari And Frank Enjoying Year At CRHS

Frank Violas is a sixteen year old senior who comes from Nogent le Rotrou, France, a town similar to the size of Bridgeton. Frank came to the U.S. via Rotary International. He is our first French exchange student. Dr. and Mrs. Kasper are presently hosting him while he attends Cumberland Regional.

Frank has a variety of interests. He loves to travel and has visited many areas of Spain, Austria, Switzerland, and West Germany. Frank has also skied in the Swiss Alps. His hobbies include wind-surfing, reading, and watching movies. He is also president of the International Club here at CRHS.

Frank has studied English for six years and Spanish for four years. He is currently enrolled in Spanish Seminar here at Cumberland Regional. Although Frank is unsure of his career plans, he thinks that he would like to go to college in the United States.

Kari Parkkinen, an eighteen year old senior, comes from Helsinki, the capital of Finland. He visited the U.S. two years ago and chose to return as a student via Youth For Understanding. Mr. and Mrs. Barry Griner are hosting Kari while he attends Cumberland Regional.

Kari, who is a versatile athlete, learned to ski cross-country when he was three years old and learned to ski downhill when he was eleven years old. This fall he played halfback on our J.V. soccer team.

Kari is familiar with several languages. As well as studying English for nine years, he has also studied Swedish for five years and German for four years.

Kari enjoys the sense of school spirit here at CRHS. When he returns to school next fall in Finland he will complete the twelfth grade. Presently he thinks that he'd like to study law.

UNDERCLASSMEN

Junior Class Advisor Miss Fran Leiby

The Junior Class kept busy this year. Miss Fran Leiby aided and directed them through a variety of activities. President Kelly Mayhew, Vice-President Cindy Rodriguez, Secretary Maria D'Agostino, and Treasurer Karen Hemple organized and directed the Junior Class events.

During Homecoming Weekend the Class of '83 kept very busy. They sponsored the October 24th Homecoming-Halloween Dance and at half-time ceremonies displayed a football made of paper flowers that read "Welcome Alumni".

Other activities planned for the spring included bake sales, Easter-grams and the Junior Prom. The Prom, held on April 23, 1982, was at the Moose Hall in Vine-land with the theme of "Stairway to Heaven". The Afterglow was at Gia's Suburban House in Bridgeton. The Junior Class had a great year and is anticipating an even better Senior Year!

Class Of '85 Off To A Good Start

Freshman Class Advisor Mr. Warren Jones.

Freshman Class Officers clockwise Roseanne DiFrancisco, Treasurer Wes Yokoyama Vice-President, Lisa Lloyd, President, Kelli Maloney, Secretary

The Freshman Class is up and coming. Under the direction of Mr. Warren Jones and Class Officers President Lisa Lloyd, Vice President Wes Yokoyama, Treasurer Roseanne DiFrancisco, and Secretary Kelli Maloney, the class had a full year of activities planned.

In conjunction with the Homecoming Day activities the Freshman Class exhibited a welcome sign to the seniors reading: "The Class of '85 Welcomes Graduates." They have also sold refreshments at the CRHS dances and sponsored chances to guess the number of peanuts in a jar. All of these activities helped to fund the Freshman Class Party held on March 20, 1982. In preparation for next year's Class Party, the Freshman planned to sponsor a Bake Sale in April and a Rubik's Cube Contest.

Homecoming Weekend Is A Mixture

On a brisk cool October day, hundreds of Colt fans filed into the stadium with enthusiasm for the fourth annual Homecoming Day. Although the bonfire scheduled for the night before was rained out, the weather for the Saturday festivities was perfect. Before the enthusiastic fans, the Colt football team battled with the Atlantic City Vikings. The inspired Colts defeated the Vikings 18-8.

The Senior, Junior, Sophomore and Freshman classes prepared floats that were displayed at half time. The freshmen spelled out "Class of '85 Welcomes Graduates." The sophomores painted signs that read, "Sink the Vikings." The juniors that read, "C R H S Class of '83 Welcomes Graduates." Members of the senior class then carried out the Colt mascot while the improvised song, "King Colt," was played.

Afterward, the 1981-82 Homecoming Queen was announced. Meg Spoltore was selected from five finalists. Her court consisted of Barbara Beecroft, Sonya Hester, Kim Mayhew, and Tammy West.

All in all, Homecoming was a big success. Not only were the Colt gridmen victorious but a new Queen and her court were crowned.

INVICTUS LITERARY STAFF

What does it take to put together a great yearbook? Starting off with a good theme is important. Our theme this year is **Scrapbook**. By fashioning our book after a scrapbook we have tried to make our yearbook both better and different than past ones. Other key factors in creating an interesting and informative yearbook are more candid and detailed copy. Staff photographers were constantly searching for more pictures of Cumberland Regional staff and students in action. Our writers were also talking to advisors, coaches, and students trying to make write-ups more interesting and personal.

The main ingredient in making a great yearbook though, is the personnel. This year we had a new advisor, Mrs. Pat Gabie. She spent most of her after school time in the yearbook room typing, checking copy, and worrying about deadlines. The two hardest workers were our co-editors Vicki Colt and Christina Masatani. They spent many hours after and during school working hard trying to make our yearbook one not to be forgotten. Our section editors Barry Stealey, Sherri Devore, David Sherman, Sally Doremus, Trish Cortelyou and Marlene Plenus also spent a lot of time working with their staffs trying to complete their sections before deadlines. Bonnie Guth and Melanie Poloff worked hard on all the sections of the yearbook. We think we have put together a great yearbook. We hope you think so too.

The Yearbook Business Staff plays an important part in the making of a yearbook. They raise money not only to pay for the creation of a yearbook but to keep the price of the book down. The staff is split into five committees: advertisements, boosters, dance, patron and sales committees. The advertisement committee called businesses in the community and tried to sell them full, half and quarter page ads in the yearbook. The booster committee gave parents, students or teachers the opportunity to write whatever they want, in the yearbook, by offering one line for a dollar. The dance committee held a Christmas dance. Members of the business staff dressed up like elves. Santa Claus showed up and anyone who wanted to could have their picture taken with him. The patron committee sold space in the yearbook to interested members of the community who wanted their name to appear in the book. The sales committee sold yearbooks. The 1982 edition was sold at a reduced rate to people who purchased their yearbooks early.

The co-managers Jennifer Mosley and Tom Riggins were in charge of all five committees. They worked hard coordinating the entire staff's work. The Business Staff advisor, Mrs. Ruth Maguire, oversaw all the work done. She made sure all the deadlines were met.

To the victor goes the spoils, but what does the loser get? The support of the cheerleaders, of course. Whether it's the thrill of victory or the agony of defeat, the CRHS cheerleaders stand behind their teams one hundred percent. Promoting spirit on the field and court is not the cheerleaders' only job. They use their artistic talents to decorate the team rooms with posters to get the team members psyched. During football season the cheerleaders helped serve a breakfast for the entire football team. The squads are coached by Mrs. Terri Davis and Ms. Donna Esposito. Thanks to them the squads earned many new cheering techniques. The squads strive to reach goals year round, whether they be try-outs, the sports seasons, or attending summer camp. A first for the cheerleaders was the participation in the Multiple Sclerosis fund drive. Mickey Haydak was nominated "player representative" and thanks to the hard work and dedication of the squad, school, and community, CRHS raised over one thousand dollars and was the fourth highest money raiser. Also, congratulations are sent out to the members of the squad who received the Inter States Cheerleader Achievement Award.

Concert And Choir Members Recognized

The Concert Choir and Chorus present two major Concerts during the school year: the Christmas concert and the "Spring Sing." Both organizations also participate in various choral festivals, and send representative groups to perform at community functions throughout the year. Special solo and ensemble presentations during the past year included music programs for the annual meeting of the Associated Board of Education of Cumberland County Parent Teachers Association.

The Concert Choir and Chorus also went "on tour" to the Woodruff, Moore, and Hopewell Township Schools performing Christmas and Spring concert music, including a special rock/pop concert by featured vocal soloists and ensemble singers.

The duo-piano team accompanying Concert Choir and Chorus perform unique two-piano music, lending an "orchestral" sound to the accompaniment of the choral groups, and adding more volume and tone color for special effects. These talented duo pianists were also featured performers in the Spring Concert, offering music especially arranged for two pianos. Our virtuoso duo pianists are Betsy Loper and Patricia Stanley.

The New Jersey All-State High School Chorus, composed of highly skilled choral music students throughout the state, performed at Convention Hall in Atlantic City for the New Jersey Teachers Convention. Betsy Loper and Norman Ridgeway, senior members of the Concert choir, were chosen from

a field of over one thousand auditioning music students to sing with this most prestigious all-state choral group. Both students have been featured soloists in the Christmas and Spring concerts presented by the Concert Choir and Chorus. Sixteen members of the Concert Choir and Chorus have been honored to sing at the All-South Jersey School Chorus Festival.

These students were chosen by audition from a field of over nine hundred competing high school vocalists throughout the entire Southern New Jersey area. The winners performed with the All-South Jersey Chorus at Bridgeton High School in February.

C.R.H.S. Prep

A new way of life is sweeping the nation, the way of the Prep. What is a Prep, or Preppy, you may inquire. There's no simple answer. After all, a Prep is not a person but a whole way of life.

There are many excellent Prep schools, but to be a key school it must be steeped in tradition. There is one thing you must keep in mind: being at school is not to prepare you for college, but to allow you to have a great time.

The next important thing, after meeting the Right People, is to dress the part. True Preps have an instinct for when to wear pink and when to wear green. There are two major types of Prep dress: the Sporting Look and the Dress Look.

The Sporting Look is very flexible and lends the Prep a certain casual air. Goosedown and leoads are a must. The key word for the Dress Look is simple. Men wear simple suits and women wear simple dresses. Anything fancy is most unprep.

Athletics are another part of the Prep's tremendous style; they promote sportsmanship and give the Prep a chance to show off his tan. Squash, crew and rugby are the prep sports and should be played at any costs. Avoid such sports as football or volleyball, they are not prep. Even if the Prep is a lousy athlete, he still shows intense sportsmanship and is the ultimate Prep.

An awesome part of the Prep's life is recreation. The major Prep action during Fall and Winter is skiing. Even though the Prep has all the sking equipment on the market, he's still an awful skier. After all, to be a good skier you must practice, and a Prep doesn't enjoy working.

So, as stated before, a Prep is very complex, very key and very intense. The Prep must adhere to a strict behavior code and must work very long and hard to uphold this code. But all in all, the results are very worthwhile for how many honored few may be called by that treasured name-Prep.

Let's Smurf Around

Smurfs are little blue creatures with tails who are believed to have evolved from mushrooms many years ago. They live a quiet, harmonious life in a small village with mushroom houses. They used to be primarily unknown folk until their discovery a short time ago.

Since their discovery, Smurfs have gained much popularity and have appeared almost everywhere. You may see them anywhere from a T-shirt to a glass, and there are whole Smurf villages you can buy. You may also buy soft, cuddly Smurfs in many stores. There seem to be three basic body types: Smurfs, Smurfettes, and Grandpa Smurfs. These happy creatures come in a variety of sizes, from tiny Smurfs to giant Smurfs.

Recently, the Smurfs have engaged in a new activity: Hollywood. Yes, the Smurfs presently have their

own show on Saturday morning. The show presents the Smurfs in their own little villages, while facing Smurftype trials. The Smurfs also had their own Primetime special and they have informed the public that many more will follow.

Smurfs have many uses. They may be used for cuddling, companionship or just to look adorable. They dress up any household in a Smurfy way. After all, Smurfs are in this year.

It is predicted that in the very near future Smurfs will totally captivate the hearts of Americans. The process is already under way, for as one Smurf lover stated, "Smurfshine on my shoulder makes me happy." Who knows, maybe someday a Smurf may be President.

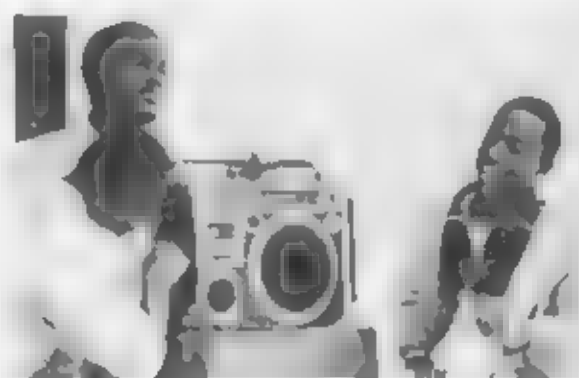

Love In The Afternoon

Tony Geary and Genie Francis, the stars of the soap opera, General Hospital, have risen to remarkable heights. Each received the Daytime Grammy for best actor and actress. The fairytales wedding of characters, Luke Spencer and Laura Weber Baldwin, sent the show's rating to an all time high. Thousands of viewers rush home before 3:00 to watch General Hospital each afternoon. General Hospital has inspired the creation of the hit song "General Hospital" as well as T-shirts and mugs.

Soap operas, in general, have increased in popularity. The romance, suspense and glamour have attracted viewers. The daytime soaps monopolize the afternoon time slots on the networks. Soaps have also invaded the evening times with shows such as "Flamingo Road", "Dallas", and "Dynasty".

The Sound Of Music

Let it be understood that the pictured stereo equipment is not permitted at CRHS and for the most part, remains at home. Certainly it appears at basketball games and around and about CRHS, however.

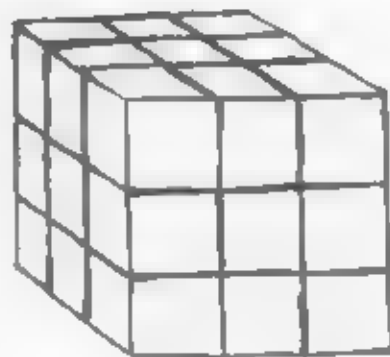

The box is carried and played at full volume upon occasion. Much lighter and more private is the cassette stereo with earphones. Both play favorite tapes and provide music for those who can afford them.

Fads . . . Fads . . . Fads . . . Fads . . .

Cube Craze

The ultimate in the puzzle craze is Rubik's Cube, the thrill of victory and the agony of defeat which fits in the palm of your hand. There is rarely a class at CRHS where a Rubik's Cube isn't resting on at least one pile of books or being fingered absentmindedly by at least one student. Some students carry them on a key chain.

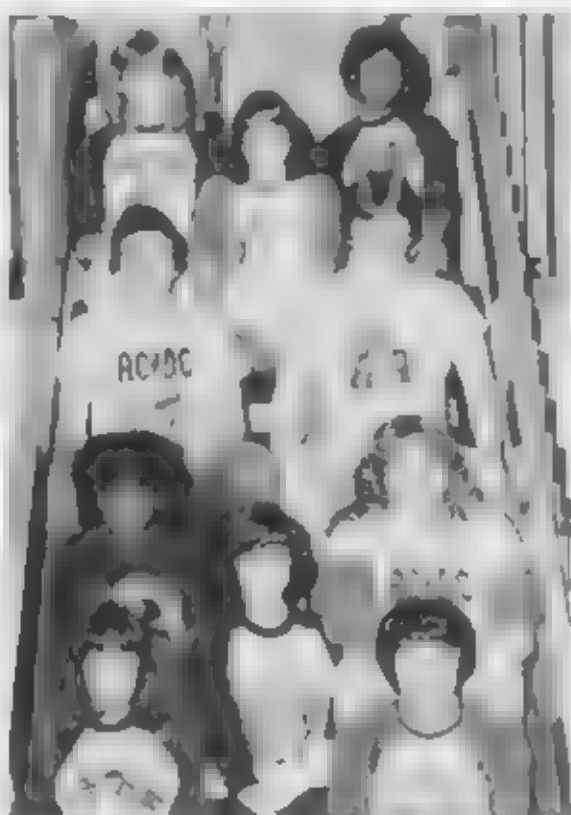

The purpose of the Rubik's Cube is to match all nine squares of one color to a side. Completing this task is much more intricate than it may appear and it takes weeks to master the cube unless you buy the book, of course. Those more adept at the cube limit themselves and each other. The world's record is approximately 23 seconds, even the best CRHS Rubik's Cuber takes over a minute.

Punk-N-Roll

Concerts Lure Rock-N-Rollers

As the haze settles over the audience, the band strikes the first chords of a song and the roaring crowd becomes wild. Fans join other fans in showing their favorite group their "appreciation." The crowd becomes ecstatic as the group plays their most popular song — the one that everyone has memorized and can sing along to.

After the concert everyone leaves with some kind of souvenir, usually a T-shirt or a button. Anything to prove to friends that you were there. To capture everyone's attention with stories about the concert or something experienced before or after the concert.

The two biggest concerts this year were the Rolling Stones and AC/DC. The Rolling Stones appeared at JFK Stadium in early Fall. Their tour was the biggest thing since Woodstock. AC/DC came to Philadelphia in December, many CRHS students went to their concert. Many more concerts were held during the 1981-82 school year and, as long as there are fans, there will be concerts forever.

Break out the chains and snakes, — PUNK is on the move! Mild punkers merely listen to punk music in the privacy of their homes and secretly do the "pogo." The next step is joining friends in going to concerts — the B-52's, Go-Go's, Devo, the Clash. One of the most famous punk songs is "Rock Lobster" by the B-52 Bombers which sends all punkers pogoing to the dance floor.

Clothes, clothes, clothes! A true punk rocker owns a wardrobe of flamboyant clothes, including essentials such as leopard skin anything, T-shirts, tighties and anything unusual. Each punker tries to develop his own trademark with clothes. This could be anything from one color that he likes to wear to a style of shoes. One thing that no punker can do without is his glasses. They add class to any outfit.

Designer Jeans Invade The Jean Scene

Ooh la la Sasson. — Jordache has the look that's right. . . Nothing comes between me and my Calvin's. — We love you Sergio. — I beg your "Charlton!"

Gorgeous long-legged women in form-fitting jeans turn the heads of every male as they glide gracefully down the sidewalk of a busy street. Muscular men swagger nonchalantly as beautiful women flock around. Is this the result of designer jeans? The fancy stitched pocket and name patch seem to do wonders for the average man and woman. When the jeans are slipped on their bodies, they are suddenly transformed into sleek, glossy sex symbols.

Designer jeans are very versatile. They can be worn anywhere, whether it be an Italian opera or a day of cleaning house. This three-year-old craze has thoroughly invaded the jean scene, and will keep up its tremendous explosion for as long as people wish to look "glamorous" in fifty-dollar jeans.

Drama Club Thrills

With the smell of grease paint in their nostrils and the roar of the crowd's applause in their ears, this year's Drama Club had an auspicious debut with its production of Bram Stoker's baroque horror story **Dracula**. The play tells the thrilling tale of the infamous Count Dracula from Transylvania and his quest for eternal life.

Under the direction of James Hutchison, this year's club has performed better than ever. Regular meetings throughout the year, led by Pam Wasserman, president; Deanna Speranza, vice president, and Sarah Peterson, secretary-treasurer, have honed the skills of each member in order to present the best possible production to a paying audience.

The club's spring production was the Moss Hart-George S. Kaufman screwball comedy **You Can't Take It With You**, a delightful play that was skillfully performed by a cast which included seniors Mike Pritchett and Robin Wolf.

Although the plays must still be presented in the Media Center, the sets and costumes, as well as the skill of the players, manage to convince the audience that they are in one of the best theaters on Broadway.

Pam Wasserman enthalls Jennifer Allen with tales of Dracula.

Whether you're performing on stage or working behind the scenes on crew, being an important part of a high school production proves to be a valuable experience. It allows you to explore your own realm of creativity and to share it with others . . .

Senior Honors

Ben Glaspey and Brian Hashimoto were selected to attend the 1981 Boys' State. Along with 928 other juniors they earned in a week what normally would have been covered in a semester of a college history course. They learned by actually performing a gubernatorial election which included the election of many city and county officials. The government seminar was conducted militarily, and the participants were required to march in squads and salute. After the week was over the members were given diplomas and an honorary pin.

Carol Wolbert was chosen to attend the 1981 New Jersey Girls' State. It was held at Rider College and

organized by the American Legion of New Jersey. Its purpose is to give promising young women the chance to meet many new and interesting people while learning about New Jersey's system of government. When Carol was there she participated in many campaigns and mock elections. The participants also heard lectures by many public figures.

Overall Carol found the experiences that she received from Girls' State valuable to her understanding of the Democratic government.

Many colleges and universities across the country host summer science courses open to all high school

students. Three Cumberland Regional students attended classes this summer. Sherri Devore attended a three-week course at Mary Baldwin College in Virginia where she studied natural products chemistry and ecology and field biology. Christina Masatani took a six-week course at the University of Rhode Island. Her work centered around marine biology and oceanography. Steve Nakao attended school at Georgia Polytechnic Institute where he studied cancer research.

Soroptimists

Several girls are selected each year to meet with the Soroptimist International Club. Every month one of these students, who is chosen on the basis of high scholastic achievement attends a dinner which is given by this women's organization. At the dinner the girls are recognized along with girls from other local high schools. They are able to meet women who are active professionals in many areas of work throughout the county and are entertained by guest speakers who provide information on various topics. By receiving this honor these girls become eligible to compete for a scholarship award at the end of the year.

Rotarians

Rotarians possess high scholastic achievement, leadership, and integrity. These boys are chosen by faculty, and each month, the delegated student is invited to our lunches with the club and at this time he meets with his local businessmen.

An important part of our school is the National Honor Society. The Honor Society is a service organization that strives to help others in need. Miss Vaughn is the advisor of the Society, with Sally Doremus as President, Dave Williamson as Vice President, Carol Wolbert as Secretary, and Beth Kohler as Treasurer. One service project that was performed this year was a Rock-a-thon that raised \$450 for the Harold Williams family.

One must have a 3.75 grade average to be considered for the National Honor Society. After this criteria is met, the candidate is judged on his leadership, service, and citizenship by a committee of Honor Society members. Once a candidate is approved, they are inducted into the society. There are at least two induction ceremonies during the school year.

The Honor Society adds another dimension to our school by providing an organization that offers activities not only to advance its members, but also to help the community.

Officers: President Sally Doremus, Vice President Dave Williamson, Secretary Carol Wolbert, Treasurer Beth Kohler.

The Student Council, by voicing the opinions of the students, performs many vital functions such as sponsoring exciting events and approving all the school happenings. Among the events they have sponsored this year are a bonfire, Homecoming, dances with DJ's from WYSP and WMMR, bake sales, a sub sale, the Teachers' Picnic and Step-Up Day. In addition, through its members' hard work and dedication over the years, Student Council has donated something special to CRHS each year. They have presented the school with its mascot - the Colt, the Exchange Student Plaque, the Class President Plaque, and the Valedictorian and Salutatorian Plaque.

This year our officers are: Ginny Jefferson, President; Ben Glaspey, Vice-President; Shelly Weber, Secretary; and Bill Johnson, Treasurer. They run Student Council with the advice and support of their co-advisors, Dr. Caldwell and Mr. Cary Chew. This year several Student Council members participated in Student Council at Stockton State College. The purpose of this event is to give Student Council members a chance to enrich and share their ideas on government by talking to other schools' Student Councils and listening to guest speakers. The Student Council is a member of both the N.J. and the National Association of Student Council. They attend two conventions annually, the N.J. Association of Student Council Convention at Trenton State College and at Great Adventure.

Thanks for representing us, Student Council!

Student Council President Ginny Jefferson

INTERNATIONAL CLUB STAGES

If you like fun, food and fellowship, then the International Club could be for you. The International Club consists of students studying Spanish, French, German and Latin. Each group shares samples of their culture, food, dance, festivals, songs and holidays, so that the other students can learn and compare the different cultures.

On October 29, the International Club sponsored an Oktoberfest. An Oktoberfest is a fall festival celebrated in Germany as thanks for the harvest ending. Beginning in Bavaria, the festivals spread to Germany, where the two week long, biggest Oktoberfest occurs in Munich. Carnivals, rides, big tents, beer bands, dancing and eating appear at all the Oktoberfests. Food provided by the students included Kiel base and sauerkraut, sausage salad, potato salad and potato dumplings. Folk dances were performed, German songs were sung, and "Near Beer" was drunk to the shout of "Prost" meaning "Bottom's up".

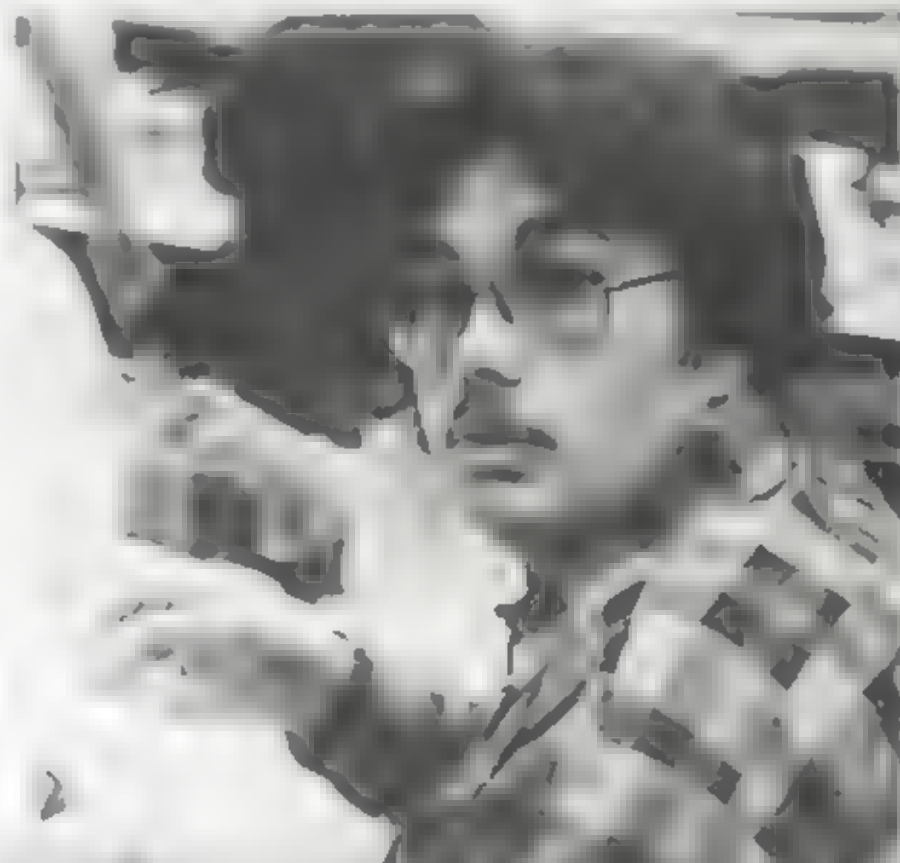

Other International Club activities including the International Christmas dinner, field trips, Exchange Student Weekend were planned by President Kevin Davis and advisors Mrs. Robinson, Mrs. Cline, Mrs. Poloff, Mr. Silver and Miss Shipp.

The CRHS FBLA Chapter, once again, completed an active year with a membership of over 50 members. Any student is invited to join if they are currently taking at least one business course. To raise funds for yearlong activities, the members and advisor operate the School Store. This operation encompasses all the aspects of a small business providing all the same challenges.

FBLA activities include a Christmas buffet, Alumni Back-to-School Night, Southern Regional Competition, State Leadership Conference, Reception for Office Personnel, and the closing June Banquet.

Officers are President Melody Caldwell, Vice-President John Fisher, Recording Secretary Beth Perella, Corresponding Secretary Brenda Thronson, and Treasurer Paul Lazos. Advisor is Mrs. Ruth Maguire and Mrs. Kathryn Fry is assistant advisor.

The goal of the Chapter is to provide an organization for the business student providing an opportunity for professional growth and leadership.

The **Colt's Tale** staff works to inform the students of C.R.H.S. on the subjects of local news, as well as national and international news. This year the news paper has taken on a new look, one of a news magazine featuring certain steady articles. Desiring to become "something for everyone", the **Colt's Tale** now includes, in every issue, Board of Education news, an entertainment section, and a club wrap up. The seven issues, published by the **Colt's Tale** staff are a constant effort by their co-editors, Pam Wasserman and Linda Giunta, and their page editors, Chris Taylor, David Sherman, Pat Hatfield, and Ben Glaspey, to keep the students of C.R.H.S. up-to-date on current events, both in school and out. As a writer for the **Colt's Tale**, one has a choice of writing straight news, editorials, features or sports coverage. This gives many the necessary experience to decide whether to venture into a career in journalism. Good photographers are essential to every newspaper; the **Colt's Tale** wishes to take pride in their photographs and encourages all aspiring photographers to make themselves known. Artists, especially political cartoonists, are required by the **Colt's Tale** in every issue. A superior school newspaper, whether a daily, weekly or monthly edition is the result of a combination of many talents. The **Colt's Tale** staff firmly believes that the students of C.R.H.S. have the essential talents to make all future issues of the **Colt's Tale** excellent in every department.

Patrick Hatfield works to meet deadline.

Future Teachers Of America

The Future Teachers of America is a group of students who are planning careers in teaching. Members learn what teaching demands by following a teacher for an entire day. They learn what it takes to be a teacher, first hand. Another aspect of the FTA is to visit area colleges and universities. This acquaints members with the challenges they will face when they attend college.

Future Farmers Of America

Led by Mr. LaSpada and Mr. Passmore, the FFA continues to be one of the most active organizations at CRHS. The FFA went to Cook College for the judging of livestock, land, fruits and vegetables, poultry and horses. They also participated in the BOAC and the A. I. O. W. A. Parade. FFA continued firewood sales, as well as tropical fruit and potted plant sales at Christmas time. Flowers and vegetable plants were grown in the school greenhouse.

FFA officers for 1981-1982 are: Tracy Sloan, President; David Uhland, Vice Pres.; Leah Hetzel, Secretary; Mike McIntosh, Treasurer; Wayne Beal, Reporter; Doug VanMeter, Sentinel.

SKI CLUB

The Lumber and Regional Ski Club is in its second year of existence. The advisor, Miss Yates, Treasurer, club secretary, skiers, and for novices as well. Novices have the opportunity to experience the joys and receive instruction from a professional ski instructor. The members of the club can ski safely as well as to enjoy a ski trip and develop themselves with the club. The club takes each year. This year the club will have a ski trip. As a growing organization, the club will continue to grow and the members will have more opportunities.

MORNING ANNOUNCERS

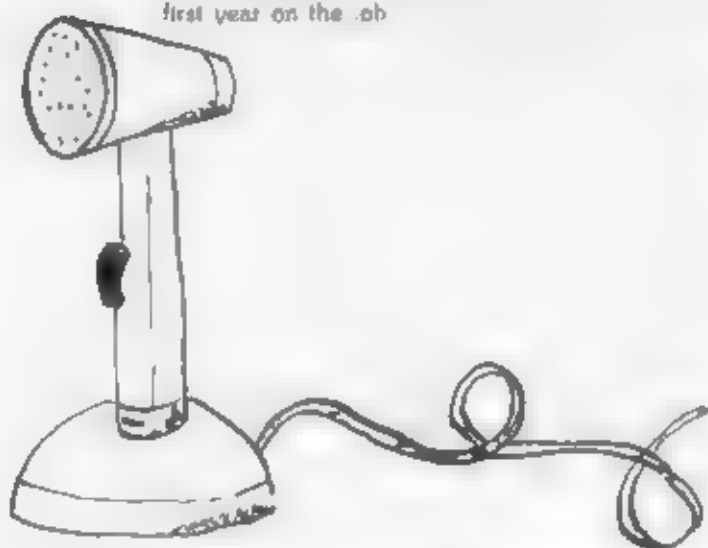

Kim Mayhew, Dawn James, and Michelle Scarlato

Good morning, today is

How often do we hear these words every school year? But how much do you know about the job of a morning announcer?

Before the homeroom bell rings, the morning announcer goes to the Principal's Office. The announcements are already in the office, but they must be separated into one of three categories: sports, clubs, or activities. A set of announcements is given to each of the three announcers, who then read them over the intercom.

This year's morning announcers are Kim Mayhew, Dawn James, and Michelle Scarlato. While Dawn is a veteran announcer, this was Kim's and Michelle's first year on the job.

Aides, the glorified gofers of the school, assist many staff members. Their jobs go from phone sitter to messenger, filler to repairman. Aides have many important jobs and many responsibilities. Every aide has a set of duties unique to the area of their work. But aides are more than gofers; they help the teachers and the administration in many ways. They mainly help by doing tedious work that would otherwise slow down the work process. For example, nurse's aides are very helpful by organizing students' files, taking temperatures and answering phones. This gives the nurses more time to attend to sick or injured students. Office and guidance aides are also very helpful. They make appointments, file, locate students and do various odd errands for the counselors and secretaries. Media Center aides help shelve and process books. They also help with the A/V equipment when needed. Everything taken into consideration, an aide's work is never done; there's always **something** else for them to do. Due to the aides, the workload of many people at CRHS is lightened.

Omnium

The **Omnium** is Cumberland Regional's literary magazine. It gives the talented writers in our school a chance to display their talent. The **Omnium** encourages interested students to submit any form of written work including poetry and short stories.

The advisor Mrs. Sink, who has helped with the past magazines, works hard making sure that all material is circulated to all staff members. This year's co-editors are Susan Carr and Trish Cortelyou. They and the staff spend the year objectively evaluating all the work submitted to them.

Work which appears in the **Omnium** occasionally receives awards. Lorre Allen, Toni Ball, Susan Carr, Christina Masatani and Mark Platt recently received outstanding achievement awards from the New Jersey Cultural Arts Project.

Pep Club

Are you a person who (a) has school spirit (b) wants to spread school spirit and enthusiasm (c) likes to attend sports events, or (d) all of the above? If you can answer "yes" to one or all of the above questions, then you should be a member of the Pep Club. Headed by Mrs. Terri Davis, the members of the Pep Club spread the "spirit fever" by attending sports events and participating in pep rallies.

This year's Club activities included the sale of candy, apples and a "guess the weight of the football uniform" contest. This year's officers are: President Dawn James; Recording Secretary, Becky Kelly; and Treasurer Della Brown.

Joy Club

Row 1 S. Cain, Mrs. Loveland, S. Patterson Row 2 S. Miles, M. Behnke, D. Crow, P. Steinke

The purpose of the Joy Club is to provide Christian fellowship within the school. The origin of the name of the club comes from these three phrases: Jesus first, others second, yourself last. The club plans to visit the Rainbow Convalescent Center and put on a program for the patients as they did last year. Advisors are Mrs. Loveland and Mrs. Jones and meetings are held every two weeks. There are eighteen members in the club. Officers are Sue Cain (president), Sandee Patterson (vice president) and Cathie Anderson (secretary). The club hopes to become more active in the school and community this year.

Ayers, M. Chambers

The purpose of the CRHS Bowling Club is to permit interested students to participate in team competition and to encourage bowling as a recreational activity. Twelve teams competed against each other every Monday afternoon at Pike Lanes. At the end of the season trophies were awarded for first and second place teams, high game, high series, and high average. Courtland Penn served as President with Joe Perella as assistant. Mr. DuBois served as advisor.

CUMBERLAND COUNTY VOCATIONAL

Many students of C R H S plan their careers in the trades. The Cumberland County Vocational Technical program provides students with a three hour per day study in subjects which include masonry, auto processing, welding, mechanics, beauty, culture, air conditioning, refrigeration, carpentry, marine trades, and drafting. Individualized programs are also available for students.

After graduation, students can enter into careers in the fields they have studied in the vo Tech program. Those who are involved in the program have the advantage which provides them with scholastic education, as well as experience in the careers where they plan to be employed.

Science Careers Club

A new club has been formed this year at C.R.H.S. the Science Careers Club. The objective of this club is to expose the members to as many different occupations pertaining to science as possible. This goal has been accomplished through various activities. One activity the club has had was to take a trip to Brigante Wildlife Reserve during the fall. The members were shown a film about wildlife. After the film the members hiked on surrounding nature trails, observing and identifying wildlife. Another activity was a visit by Dr. Lorence, an ear, throat and lung specialist. Dr. Lorence explained his work and also presented slides showing the results of plastic surgery. After the talk, refreshments were served. A science fair is also a possibility this year. The club hopes to have more activities in future years. Advisor of the club is Mrs. Patricia Husband. Officers are David Williamson, president; Ben Glaspey, vice-president and Carol Woibert, secretary/treasurer.

Photography Club

"Smile!" From whom is this statement heard? No one but a photographer. C.R.H.S. has a newly formed club this year that is off to a "flashing" start. The Photography Club has approximately 35 members whose main purpose in joining was to become a better acquainted with the major topics in the field of photography. Learning how to take pictures using a 35mm camera and developing film will be the subjects covered in the course of this club. Due to the large number of members, the club is broken down into four groups with meetings on Thursdays.

Surely, because of the hard work and large amounts of time the advisors, Mr. Scott Shepherd and Mr. Bruce Carl, spend preparing for the meetings C.R.H.S. shall have a handful of anxious photographers awaiting positions on the school newspaper and the yearbook next year.

Around The World

Passive Resistance In Poland

On December 13, the Communist government of Poland declared martial law in hopes of ending the confrontation between Communist leaders and Solidarity, the 10 million member independent trade union. Although the leader of Solidarity, Lech Walesa, became a political prisoner, the conflict raged on through the harsh winter in Poland. People waited in long lines for food.

President Reagan spoke out against the repression of the Polish people and many Polish Americans organized demonstrations, prayer groups and contributed food for those starving in Poland. The Western world considered its options, but had difficulty uniting on any sanctions against the Communists. Yet Solidarity continued its passive resistance.

Sadat Assassination

On October 6, the US was shocked by the assassination of Anwar Sadat, the President of Egypt. He was observing a military parade when some soldiers opened fire on the reviewing platform. Other officials were killed or critically wounded.

Anwar Sadat had been a friend of the United States and a tireless worker for peace in the Mideast. His loss was considered a serious blow to negotiations with Israel since Sadat represented Egypt in the establishment of the Camp David Accord. His successor, Hosni Mubarak, pledged to follow the same policies as Sadat. The United States watches warily but hopefully.

Penny-A-Vote

CRHS finished fifth out of twenty participating schools in the Penny a Vote competition sponsored by the National Multiple Sclerosis Society. We collected 135,825 votes, representing \$1,358.25. Bishop Eustace finished first with 517,525 votes.

Mickey Haydak was our prayer representative, but he was not able to attend the ceremonies, so Joe Ordile went in his place. Also attending the luncheon at the Stadium Club at Veterans Stadium in Philadelphia were Mickey's parents, Dr. Caldwell, the cheerleading advisors, and CRHS cheerleaders Robin Wolf, Terri Lawson, Evelyn Harris and Maria D'Agostino.

Activities of the afternoon included watching the Eagles work out, eating lunch with Vince Papale, two Liberty Bells and the radio broadcasters from WIFX 92 FM. The highlight of the festivities was when Joe Ordile came in second in the cheer-off competition.

Royal Wedding

We returned to CRHS still enraptured by all the publicity of the wedding of Charles, the Prince of Wales and Lady Diana Spencer. The royal couple were on the front of every newspaper and the cover of every magazine.

On July 29, many of us arose at 5:30 a.m. to watch live coverage of the wedding ceremony at St. Paul's Cathedral. We observed the pomp and circumstance of English royalty, as well as the enthusiasm of the many, many spectators who had flocked to London from all over the world. The high point of the ceremonies was the cheering crowd as Lady Di and Prince Charles kissed on the balcony.

It was announced in October that the Prince and Princess will be expecting the birth of their first child in June.

First At C.R.H.S.

Cumberland Regional High School made local history on September 29, 1981, when the first naturalization ceremony outside the Cumberland County Courthouse took place in our Library. Superior Judge the Honorable Edward S. Miller administered the oath of office to thirty-three new American citizens.

Previous to the swearing-in ceremony, prospective US citizens must have been a resident of the United States for five years. They have to be fingerprinted, fill out a very long application and undergo a lengthy interview.

It is expected that naturalization ceremonies will be held in other schools in Cumberland County in the future, but CRHS had the honor of being first.

Reaganomics

As President Reagan completed his first year, Reaganomics became the topic of the day, as newscasters and politicians analyzed and reacted to the President's combination of budget cuts and tax cuts. In his State of the Union message in January, Reagan introduced the "New Federalism" which would turn the responsibility of some federal programs over to the states in a gradual 8 year process.

Cutbacks in government programs are expected to hit education, energy, job training, transportation, agricultural subsidies and nearly everything but defense. Reagan continues to press for the building of the B-1 bomber and the MX missile system. He also worked for a 23% three year cut in income tax rates. Other than a larger budget deficit, the results of Reaganomics are still in question. Hopefully they will be the right combination for the US economy.

Kean Elected N.J. Governor

Former State Assemblyman Republican Thomas H. Kean, an ardent Reagan supporter, defeated US Representative Democrat James J. Florio in the closest gubernatorial race in the history of New Jersey. The first unofficial count found Florio approximately 1900 votes short, and a recount was requested by the Democrats. Six weeks later Florio remained 1900 votes behind, and Kean was declared the official winner. He became governor of New Jersey on January 19th. It is expected that Kean will work for budget and tax cuts similar to Reagan's economic programs.

SPORTS

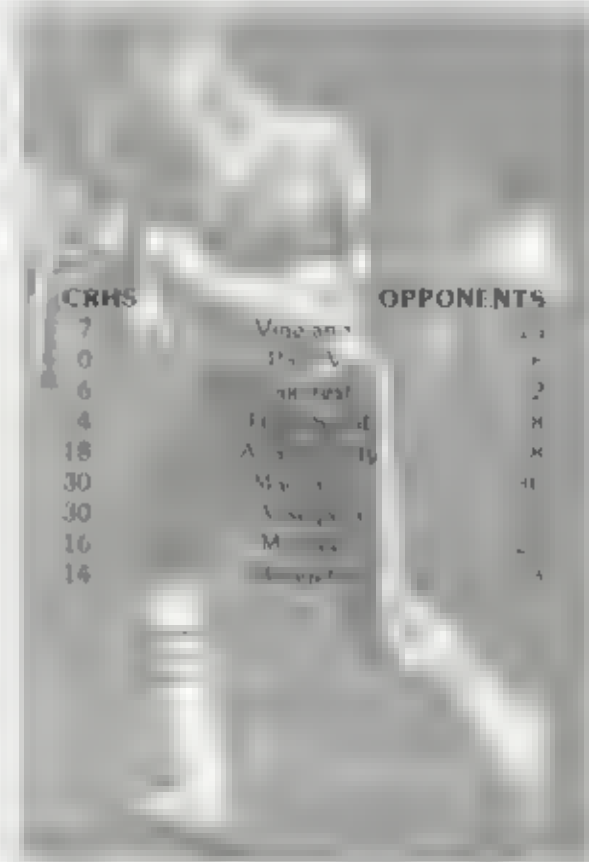

New Offense Wins For Colts

Through dedication and hard work the Colt Varsity Football Team produced a winning season. The 4-3-1 Conference record is the best in the history of the school, and major changes in strategy are attributed to the successful season. In previous years the Colts have run a complicated Delaware Wing T formation, which is basically a passing type of offense. This year Coach McAllister switched to a more simple wishbone formation, a running type of offense which effected a greater accumulation of points per game for the Colts. The total different offense was a difficult change for the Colts to make, but as Coach McAllister notes, "the team was willing to make the commitment."

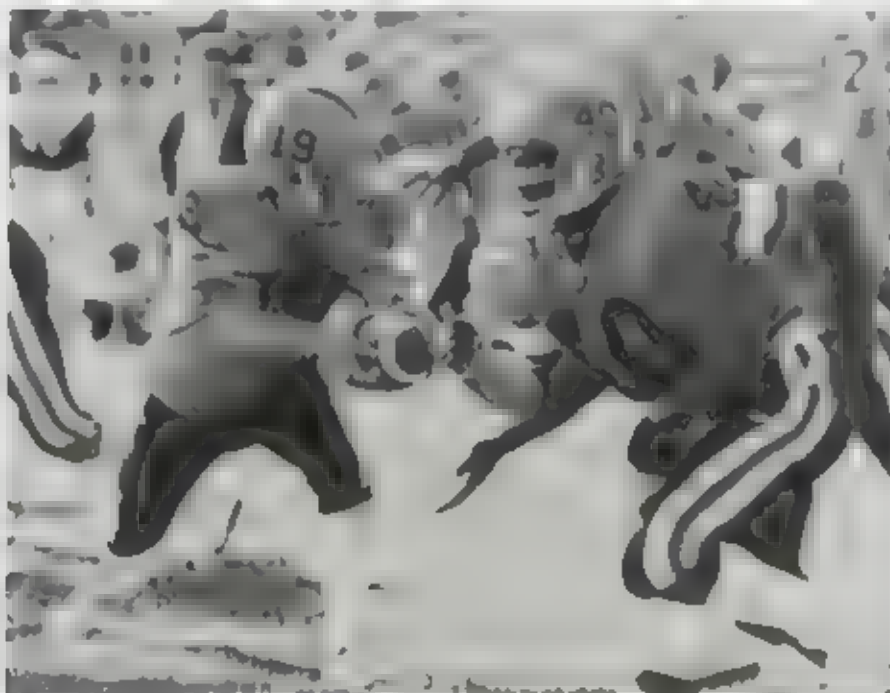

Constant changes played a part in the slow start of the season, but the major factor was the strength of the opponents. The Colts lost the first three games against their strongest competitors, although they played very well under the circumstances. The first win of the season boosted Colt morale and turned the tide from a 1-3 record the first half of the season to a 3-1-1 record the second half of the season. In a fast-paced game against Absecon the Colts' offense accumulated an impressive 50 points in one period. A close but disappointing loss against Millville wiped any chance for the Conference title, yet the recovery was quick, as evident in the traditional

Thanksgiving Day game against the Bulldogs at the Bridgeton Stadium. Spirit and intensity climaxed in the exciting game, spurring the Colts to a 14-3 win over the Bulldogs. Most important though, the Senior Class maintained its domination of Bridgeton; the CRHS Senior Class has never lost a football game to the Bridgeton Bulldogs.

The Colt gridiron worked very well together, reflected in the positive attitudes and the unflinching desire to win to gain respect for the team. A total of twenty-six seniors participated and outstanding performances were given by all. Seniors distinguished by Conference awards were: Joe Ordille, Mickey Haydak, and Bill Johnson making First Team A Conference Group IV, and Scott Allen, Todd D'Apolito, and Mike Maddox making Second Team A Conference Group IV. School records were set by Haydak for a career total of 1289 yards passing and Ordille for a career total of 42 completions for 991 yards gained. Coach McAllister was very enthusiastic and pleased with the results of the season. "We had an excellent season, we finished strong, and we never lost by more than one touchdown. I enjoyed everyone on the team, especially the seniors whose leadership and competitiveness set the pace for a great season."

J.V. Go 7-1, Freshmen 9-0

The CRHS J.V. Football Team swept through the season with a cumulative 8-1 record, the best yet in the history of Colt J.V. football. A stingy defense played a major part in the winning season, as proven by four shutouts. Also unique to this season was the combination of passing with running. Most J.V. teams are not able to accomplish this, and these techniques will greatly contribute to next year's varsity team. J.V. football is a transitional period to develop the physical and mental discipline required for varsity play. The talent evident in this year's team should produce some fine varsity players for next year.

Records were made to be broken, as proven by the CRHS Freshman Football Team. The tremendous depth of ability in the freshman team resulted in an undefeated season with a record of 9 wins. The defense rarely allowed the opposing team a chance to score, and the offense set records by the number of points scored per game. Certainly a star of the future, Ernest McCoy scored 134 points for the Colts as well as snagging 7 interceptions in the 8 game season.

The Freshman team builds the players for the Varsity and J.V. teams by developing the fundamental skills of football, teaching the value of team work, strengthening playing experience through game situations, and instilling winning attitudes and self pride. The very successful season indicates that the Freshman team has fulfilled these areas, and will go on to be a sensation as J.V. and Varsity teams.

What a season! The CRHS Field Hockey Team came through again with a winning record of 7-6-3. Under the supervision of second year coach, Jeanne Sikorsky, winning appears to come easily to the Colts.

After losing 5 key players last year, the fall began with little offensive line experience. As Coach Sikorsky explains, "It was a season for experience." How did they do it? Hard work and concentration. Captain Rita Earnest kept all the players working and learning as well as filling the year with fun and friendship which is essential to good playing.

To get in shape for the season, many of the girls attended a summer camp where they were taught numerous skills and plays. This, plus their attitude, gave them their successful year.

As a result of all the hard work, two girls were awarded All-Conference titles. Missy Calabrese made the first team while Leslie Gould made the second team. On the first team for All-Press, we had Rita Earnest and Leslie Gould, with Sue Tobin and Missy Calabrese achieving honorable mention. Missy Calabrese also received honorable mention for The Courier Post All Group 4.

The Varsity will be bidding farewell to 8 senior players, but, with coach Beth Ewan and her own record of 9-3-1, the potential for future teams looks great.

Kelli Tyler runs to intercept the ball.

"We had a great time this year, at camp and during the regular season. Being a senior I will miss it a lot and I will remember these good times always. The season was hard but the fun was worth the pain." Rita Earnest.

Coach And Team Recognized

'We almost did it!' That was the feeling that swept over the Girls' Tennis Team who racked up a 14-2 record, good enough for second place in the conference. The Colts lost their two close matches to the powerful Holy Spirit team who went on to win the Conference Title. However, the Cumberland girls qualified for the State Tournament getting a bye in the first round and defeating Toms River East in the second round before losing to Cherry Hill East in the third round.

The individual performances of the team members were spectacular. Senior Kelli Hitchner at the number one singles position was awarded All Group Four Team **Courier Post** and Second Team Number One Singles S.J. Conference for her outstanding 11-4 record. Number two singles Kim Vinnick held a 14-2 record and was chosen Second Team Number Three Singles S.J. Conference. Senior Kathleen Jespersen at number three singles compiled a 14-2 record for a great season. The team of Trish Cortelyou and Becky Kohler at first doubles put together a 13-3 season and received a berth on the First

Team S.J. Conference in the first doubles slot. Lisa Dunn and Donna Carbonneau combined at the second doubles position with a record of 10-2 for most of the season, with Deanna Bennett also seeing action in that spot.

Although the team is losing five seniors, the remaining underclassmen show promise. The J.V. team under direction of Coach Debbie Gant had an admirable season. Jodi Gaines, Lisa Barbagello, Deanna Bennett, and Sally Doremus remained undefeated throughout the season.

Coach Cossaboom is looking forward to next year. She enjoys coaching although it requires much time and hard work. "All of my girls are good students and nice, pleasant kids. It's rewarding to work with girls who set goals and work hard to achieve them. Coach Cossaboom's attitude and hard work brought her the honor of being named "Coach of the Year" in the conference.

Congratulations, team and Coach.

Coach Tanis is also optimistic about the rapidly developing elementary and junior high programs in the area. "Strong junior programs are already paying off in Malville and Vineand," stated Tanis. "I think we can expect the same in the near future."

Injuries have played a major role in a tough season for the Colts Soccer Team. Chris Ward, Larry Hawkins and Ian Willis were among the Varsity players who were injured and unable to complete the season.

"Don't just look at our wins and losses," stated Coach Tani after his second year at CRHS. Tani feels that the team is gradually adjusting to his style of coaching, which incorporates South American and European methods, and his philosophy of soccer which includes skills, techniques and training methods from countries as Germany and England.

Kicking for the Colts this year were seniors Chris Ward, John Bennett, Greg Baker and Janie Jackson, the team's lone female. "I played in every game," said Janie, "and I loved it!" Coach Tanis has no problems with females on the soccer team, and in fact, welcomes them. He sees soccer here at Cumbe- land as a growing and rewarding sport for both males and females.

Underclassmen who showed promise included juniors Mike Bachar, Kevin Simmerman, Bobby Ayars, Rich Perticari, Larry Hawkins, Mike Mathias, Ian W. Ila and Bob Roiler. Assisting these athletes were sophomores David Bennett, Tom DeCous, Greg Lupton, Gary Hirata, Tom Moritz, and freshmen David Zane, Brad Kierner, Sam Vinnick and Steve Farmer.

Cross Country Team Puts Best Foot

The Boys' Cross Country Team ran strong during the first half of the 1981 season, compiling a 5-1 record for early recognition as one of the top fifteen teams in South Jersey. A potentially good team, the Colts had much talent, but lacked depth, they could not afford to lose any top runners. As the season progressed, injuries and sickness struck Junior Bob Pyott and Senior Brian Whitehead, two scorers for the Colts. The resulting large gap between the experienced and novice runners, a season's record of 3-8, ending the year just below the 500 mark at 8-9.

The 8-9 record does not justifiably describe the season. Upon losing seven key seniors, Coach Hulme's major goal was to maintain the 500 mark that was achieved last year. The 1981 season was a time to regroup and gain experience for the many inexperienced runners. "Future seasons should be better," explained Coach Hulme. "The talent in the young runners is promising, and the experience gained this year should be valuable."

Outstanding individual performances were evident throughout the season. Senior captain Tim Benz was a consistent runner, figuring in the scoring for every meet this season. A four year letter winner, Tim was the lone medalist at the County Meet for the Colts. He is also recognized for his middle distance and sprinting abilities. First year runner, Senior Brian Whitehead, also a captain, set many school course records and was named to the All-Conference Second Team.

Experienced juniors Bob Pyott, Tim Mukoda, and Tim Peltier contributed to the team effort through scores and enthusiasm. Peltier ran a marathon in Philadelphia and is the first Colt to ever do so. First year runner, Junior Ken Burrus improved from meet to meet, breaking into the top five runners. Outstanding sophomores, Scott Hubbard and Steve Karol ranked in the top 20 for underclassmen for all of South Jersey. The freshmen on the team went undefeated and showed great promise. The two departing seniors will be missed, but with such young talent in the underclassmen runners, Coach Hulme is optimistic about next year.

COLTS CAPTURE 2ND STRAIGHT

"We're short in stature, but big in heart," commented Coach Robert Kraft describing the 1981-1982 Boys' Varsity Basketball Team. Randall Byers at 6'1 1/2" is the team giant, with the average of our starters being 5'11", certainly not comparable to the average of most opposing teams. Nevertheless, team spirit and talent pulled the Colts to a productive season, winning the Sacred Heart Christmas Tourney and qualifying for the State Playoffs.

In preparation for the basketball season, some of the players attended a summer camp to develop skills and plays. The team also played in a Vineland summer league, where Coach Kraft held a clinic for future Cumberland Regional hoopsters.

The Colt season was highlighted by their last-minute victory over Sacred Heart to capture their second Christmas Tourney Championship. Late in the fourth quarter, Scott Allen slam dunked to put the Colts ahead. Mickey Haydak sealed the win by hitting a few foul shots. Randall Byers and Wayne Baker contributed many outstanding offensive and

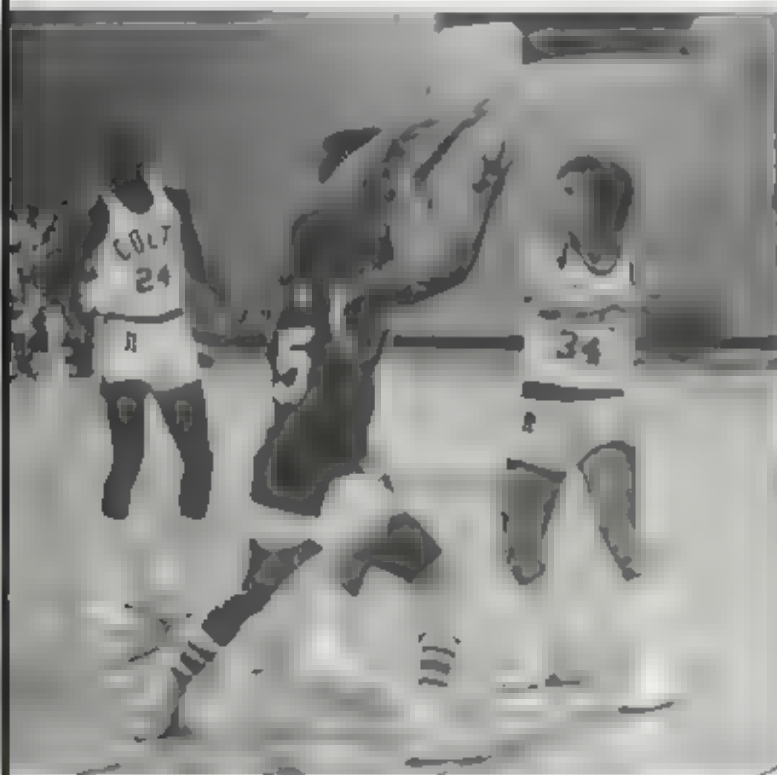

defensive plays. All Tournament awards were to Scott Allen and Mickey Haydak.

The role of captain has been rotated among the senior players. This method gives them all a taste of leadership and responsibility. Although there are only nine seniors this year, they have all done an excellent job in leading their team to victory. Other senior players include Drew Thompson, Randall Byers, Harold Taylor, Greg Clark, Butch Lindsey and Lance Winchester. Each has contributed to Colt victories throughout the season.

The JV and Freshman teams also had a great year. Under the outstanding leadership of Coaches Jim Breech and Alan Homan, they closed the season with a 12 and 9 record for the JV and a 6-6 record for the Freshman.

What about next season? Promising underclassmen have the coaches optimistic. "We've lost some close games this year, and it was frustrating," said Kraft. "Sometimes I felt like beating my head against a wall, but that's what coaching is all about."

Girls Shoot Up A

Carolyn Mason looks for rebound

The Cumberland Regional Girls' Basketball Team once again shot for the Conference Title. But alas, the Atlantic City Vikings held the title just beyond the Colts' reach. Nevertheless, the girls worked hard and performed well throughout the season.

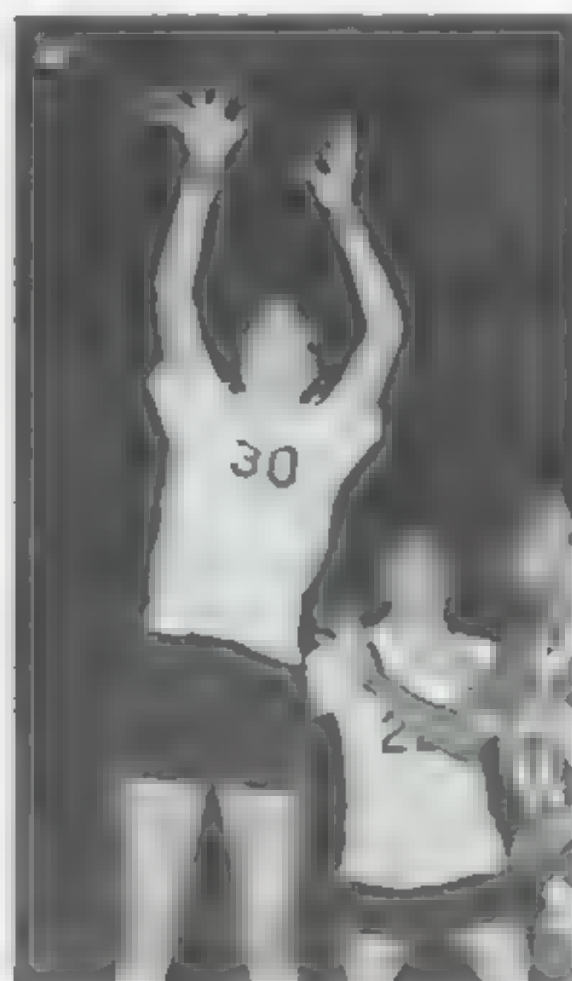

Coach Debbie Gant and her girls strived to show well as a team. And the team did just that. Not only are the Colts considered a competitive opponent but many girls have been recognized for their individual athletic strengths.

High scorers Carolyn Mason and Tracy Willis were noted for their speed. This increased speed allowed for a more aggressive running game which proved to be an asset for the Colts. These two seniors along with fellow senior Janice Robinson, led the attack

with their inside quick jumps, strong defense, and their respect for team success. All three were A-1 Conference selection hopefuls. Other contributors to the team were E. Lovett, K. Maloney, S. Tracy and S. Flourmoy, all of which have much potential as Colt basketball players.

The J.V. and Freshman teams, coached by Coach Schnatterly and Coach Sikorsky respectively, also performed well. The girls learned many valuable basketball procedures and techniques. Gaining playing experience should help the girls when they move up to Varsity play in future years. The many J.V. players who will be fighting for the three vacancies left by the departing seniors, will have a big gap to fill in replacing the speed, ability, and leadership provided by Mason, Willis, and Robinson.

First Year Girls' Varsity Track

For the first time, the girls have a winter track, and are they showing their stuff! Being able to compete in many indoor meets at Widener and Princeton, the girls are impressive. "The girls handle themselves well for as young as they are," explained Coach Andrea Kuhar, "and they are competitive at the state level." The track team began as a conditioning program used for preparing the girls for the spring track season. Now as a Varsity sport, the girls have an opportunity to compete in indoor events during the winter as well as condition their body and mind for the spring. The opportunity to compete has encouraged more girls to participate in the winter program and given all the girls a goal to work for recognition as a competitor at the state meets by bettering records and bringing home medals.

The girls on the winter track team now are determined and dedicated to their sport more than ever. After all, how many people would run many miles in 15° weather? There are no indoor track facilities in South Jersey; the team must travel hours to either Widener College or Princeton University, where events such as the shotput, high jump, hurdles sprints, and distance heats are run. During prac-

tices, the team members work to improve their form and develop their bodies through rigorous weight lifting and running.

Experienced sprinters Janette Burton and Beth King worked and competed in state competition. Newcomers Tonia Cross and Tracy Brown showed great promise as future Colt sprinters. Tonia ran the first leg of the 4x800 m. relay at the state relay championship in Princeton and performed exceptionally well. The distance runners of Christy Peter, also a competitor at the state meet, Becky Kohler and Beth Kohler have worked out consistently and should be well conditioned for the spring season. Shotputters Regina Peterson and Carla Smith have been lifting the weights and getting great results. Carla broke the school record she set earlier by a throw of 32' 9" at the State Championships. Being a newly formed sport at Cumberland Regional, the winter track program's longevity may be questioned by some. Coach Andrea Kuhar feels differently. "The interest is here. The girls want a track program and are willing to work hard for it. As long as we have girls interested in running, we'll have a winter track team."

Boys Winter Track Breaks School Records

The air fills with a mixture of tension and excitement. The crowd quiets as the runners take their places on the line. Coaches and team members watch anxiously while the official starts the race with the shot of a gun. The crowd roars as the runners take off. The trembling of the pounding feet can be felt through the track floor. The shouts and applause of encouragement to the competitors resound off the high dome of the indoor track. The runners round the last corner, putting out the last of their energy to drive forward to the finish. The crowds thunder their approval as the team members cross the line.

The Boys' Winter Track Team experienced such feelings repeatedly as they competed in many indoor track meets at Widener College, Princeton University, and the Civic Center throughout the winter. During these outings, the Colt team per-

formed admirably, and for these performances, is rated as one of the top competitive teams in the state. Individuals who helped the team achieve this status are: Bill Johnson, shotput, Ken Chatmon and Lesroy Farrell sprints, Tim Benz, middle distance, Derek King, high jump, Fred Lee and Darryl Russell hurdles, and Brian Whitehead distance. A number of other athletes combined with those above to keep the Colt relay status very high in the state.

Many school records have been broken, and numerous Colt track members have been recognized as competitive state contenders. The Cumberland Regional Winter Track Team continued to improve this year, which is surprising for a team to do after losing twenty-four seniors. And with such a successful winter track program behind them, Coach Robert Hulme and the team are looking forward to a promising spring season.

COLT MATMEN ON

The Cumberland Regional Wrestling Team is on the move. Under the direction of new head coach Pete DiBiase, the Colt grapplers improved last year's record by finishing 5-13-1, just under the 500 mark, for the best Colt record in the school's history. By bettering last year's season with four additional wins, the team reached its goal of improving its previous records.

With a totally new coaching staff consisting of head coach DiBiase and assistant coaches, Jim Schwartzler and Jim Porter, the Colts began their season. Losing ten seniors, the team had many first year varsity wrestlers. Despite these coaching and line-up changes, the style of wrestling has remained the same. "Coach Sharp was a good coach. There was no need to change," said DiBiase. "The only changes are in the attitudes of the team." Enthusiasm, pride and belief are three attitudes that are being built up in the team. Does it make a difference? "Sure it does," explained DiBiase. "It can make the difference between winning and losing."

The three senior captains, Benny DiJoseph, Nick DiJoseph, and Mark Pennington each lend special

qualities to the team including leadership and spirit as well as wrestling experience. All eight senior matmen contribute to the team through hard work.

Nick DiJoseph at 121 is one of the top Colt wrestlers, compiling a 12-9 record and finishing third in the Glassboro Christmas Tourney. Benny DiJoseph, at 128, began wrestling varsity at 101 his freshman year. Facing many formidable opponents including three top-ranked state contenders, Benny's performance was admirable. The lone four year Varsity performer leads the team in spirit, pride and determination. First year Varsity matman Todd DiApolito was called to take the responsibilities at 147. Todd is a dedicated, hard working, determined wrestler who never gave up. Two year Varsity letter winner Mark Pennington led the upperweights at 155. Mark was a leader by example - a hustler and hard worker.

Two pleasant surprises for DiBiase were Mike Madrox at 188 and Marvin Church at heavyweight. The two Seniors are first year wrestlers and have been valuable additions to the Colt team. Having an outstanding record, Mike was very team-spirited and a

pleasure to coach. Marvin showed tremendous strength and great dedication. Compared to most heavyweights, Marvin is small, which was a disadvantage to him throughout the season. Other Seniors John Bennett and Thomas Roiley were ready to wrestle Varsity whenever called upon, performing very well when they did so. Bennett accumulated one of the best Colt records, 10-3, for his Varsity and JV outings.

The future for the Colt wrestlers looks bright. Many underclassmen grapplers show talent and determination and should carry on the Colts' increasingly successful seasons. Many young wrestlers saw Varsity action. Juniors Jeff Dixon, Larry Johnson and Bob Brady performed well on the Varsity level. Gary Hirata, Joey Sayre, Jerry Moore, Howard Johnson, Ron Swetnam were consistent Sophomore matmen who figured into many Colt scores. Freshmen Dave Riggins and Scott Hepner also saw Varsity play. "The youth will carry the sport and turn it around," remarked DiBiase. "Within two years Cumberland will challenge for the district title."

TENNIS SERVES UP ANOTHER WINNER

The Boys' Tennis Team in the past has brought great honor to CRHS with its terrific undefeated record, and the 1981 season was no exception. Third year winners of the Conference title, the Colts accumulated a 14-2 record and shared the Conference title with Millville. Number one player Ben Lee Glaspey racked up an outstanding record of only one loss during the whole season, and in the individual state tournament he did extremely well. Glaspey's Senior year should be the culmination of an impressive four years of varsity tennis.

Coach Breach predicts a great season this year with a shot at the conference and possibly the state title. He is expecting the Millville and Atlantic City teams to provide the most competition for the strong CRHS team. The varsity squad lost two players, Wulderk and Chapman, but the depth of ability in the team will easily make up for the loss. The returning Colt varsity lettermen are Glaspey, DeCou, Newton, Mariano, and Dooley. Promising JV and freshman players will be strong contenders for the open varsity positions. The team is very competitive, and all are hoping for another Conference title and a chance to go to Princeton for the finals of the State Tournament.

GOLF TEES OFF FOR A WINNING SEASON

The CRHS Golf Team completed the 1981 season with a winning record of ten wins and seven losses. They faced some tough competitors during the season, and matches with Oakcrest and Vineland could have gone either way. Never satisfied, Coach Wendell, although pleased with the season, felt the Colts could have done better with the experience they had as a team.

Two members of the varsity squad graduated: Joe Mariano and the number one golfer Joe Serva. Returning with varsity experience are R. Kirchhoff, M. Gossiaux, M. Fogg, K. Kazaoka, S. Burt, and J. Fisher. Golfers G. Hirata, B. Maurer, and K. Davis will also be competing for varsity positions. Coach Wendell is expecting some freshman to go out for the team, which will round out the team as a whole. Even without a strong number one golfer, Wendell is looking forward to more consistency with the scores and the players and a good season. His goals are to win the Conference and qualify for the State Tournament.

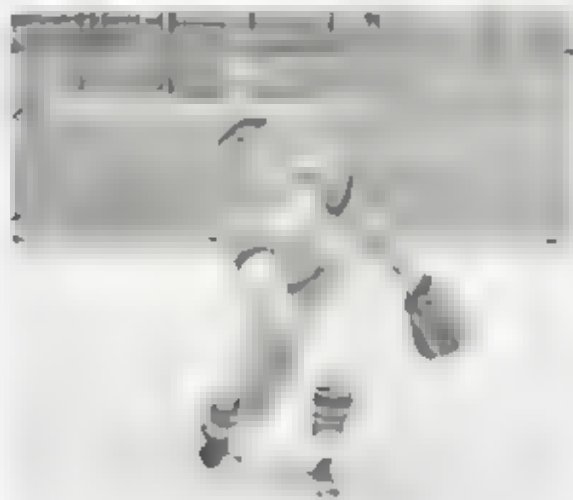

Although the overall record of the CRHS Boys Baseball team was 17-71, the colts wound up the 1981 season with controversy and disappointment. Due to a protested game that had to be replayed, the Conference title was lost by just a game and a half. Coach Schwertzier protested an illegal Absegam substitution and was upheld by the umpire. Later, due to an Absegam complaint, a replay of the game was called for, to the disadvantage and certainly the dismay of the Colts. While the team put forth outstanding effort, victory was just beyond their grasp, and, consequently, they lost the Conference title. Schwertzier commented: "We're not going to let that happen again this year!"

In 1982 Schwertzier is anticipating many returning lettermen who could produce another winning season. Potential Varsity seniors this year are: R. Byers, S. Allen, M. Haydak, F. Harkcom, K. Shimp, M. Pennington, J. Ordle, B. Hashimoto, A. Winrow and L. Winchester. Schwertzier foresees many scholarships for members of the Colt team, especially Senior Randall Byers, who could even be drafted by the pros.

Protest Mars Baseball Season

Colts Capture Co-Conference Title

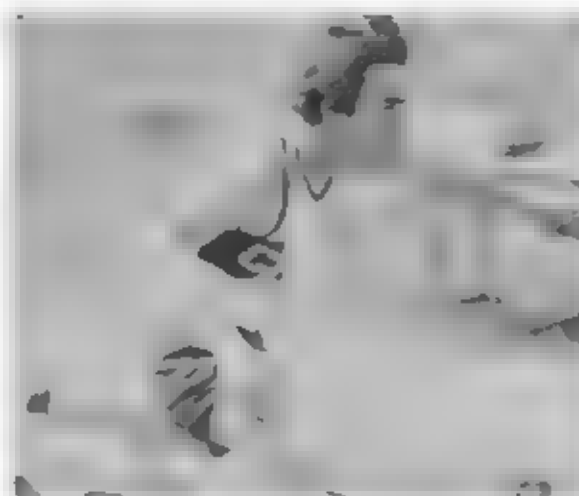

The 1981 Colts Softball Team drove home a winning 13-3 season as Co-Conference Champs with M. v. e. Establishing records that are uncommon in typical high school softball teams, the Colts achieved four no-error games and five shutouts. CHRS boasts the best infield in the Conference. Brenda Mace, approaching her fourth year as the key varsity pitcher, received the following honors for her tremendous pitching in the 1981 season: All Conference, All South Jersey (a Colts' first), All County, and All **Atlantic City Press**. Tracy Willis, another four year varsity player, was named to the Second Team All Conference Team. Other key returning Varsity seniors are Maria Gleydura, Sue Tobin and Mary L. Heminghaus.

The Colt Softball Team is young and very talented. Many good J.V. players will be moving into varsity positions, and Coach Hanzawa is foreseeing a very exciting and productive season. The Bridgeton, Atlantic City and Absegami teams should provide good competition for a strong CRHS team. Coach Hanzawa is aiming for the Conference and State titles, and she really wants her team to win.

Boys Gain State Recognition

Over the past four years, the CRHS Boys' Track and Field Team has developed into one of the best teams in New Jersey. The team has also received recognition in both Delaware and Pennsylvania. During the 1981 season, the Colts achieved a 8-1 record and placed either first or second in every major championship. At the State level they tied for fourth place in Group III. The Colts ran an absolutely outstanding season, and can be expected to maintain the pace in the coming years.

While everyone contributed to the success of the team, certain individual performances should be noted. Israel Cook in particular ran a terrific season. Setting the State Meet record in the 100 meter dash, he ran faster than anyone in New Jersey has ever run. His time for this event is one of the top times in the nation. Elmer Ceaser qualified for the States for the third time in the sprints and the long jump, and he is known throughout the state for anchoring winning relays. Another track star, Kevin Purnell, excelled in both track and field events.

The CRHS Girls' Track and Field Team sprinted to a winning season of 6-2 in the Conference, 6-3 overall. Outstanding individual performances were numerous, indicating the great depth of the team. Brenda Gilliam and Alice Butler both made it to the State Finals Group III in the 100 meter dash. Carolyn Mason won a second place in the long jump at the Sectionals. Multi-talented, she accumulated more points for the team during the 1981 season than anyone has ever done. Mason will be returning for her fourth year of Varsity Track. Another fourth year Varsity runner is Beth Kohler, who mainly runs the distance events. Over the years her excellent athletic ability has contributed greatly to the team's success. Christy Peter in the running events, Lorraine Durham in the shotput and discus events, and Kim Durham with the javelin are other notable performers to look for in the 1982 season. A total team effort is what wins the meets, though, and the Colt girls can be expected to give it their best.

Coach Kuhar realizes the potential of her team, and is anticipating another winning season. "The future looks bright for the CRHS Girls' Track and Field Team," stated Coach Kuhar.

"One more step and I'll shoot" promises Barbara Lesh

If everyone could be a Marine, we wouldn't be the Marines.
We're looking for quality, not quantity. If you
think you have what we require... If you
want to be a Marine and earn the pride
that goes with it, start now. Call 800-423-
2600, toll free. In California 800-252-0241.

The Few. The Proud. The Marines.

Be one of the few.
Be one of the proud.

Gray matters!

In high school, did you ever think you'd go to college?
The Marine Corps can help. We have a program that gives you credit
for college courses. You can get up to 45 months of college credit
for your military service. What's more, the new version of
Enlistment Agreement Program of AP
gives you a \$1,000 bonus for each
month of college credit. That's a total of
\$45,000. That's a lot of money.
The Marine Corps can help you get it.

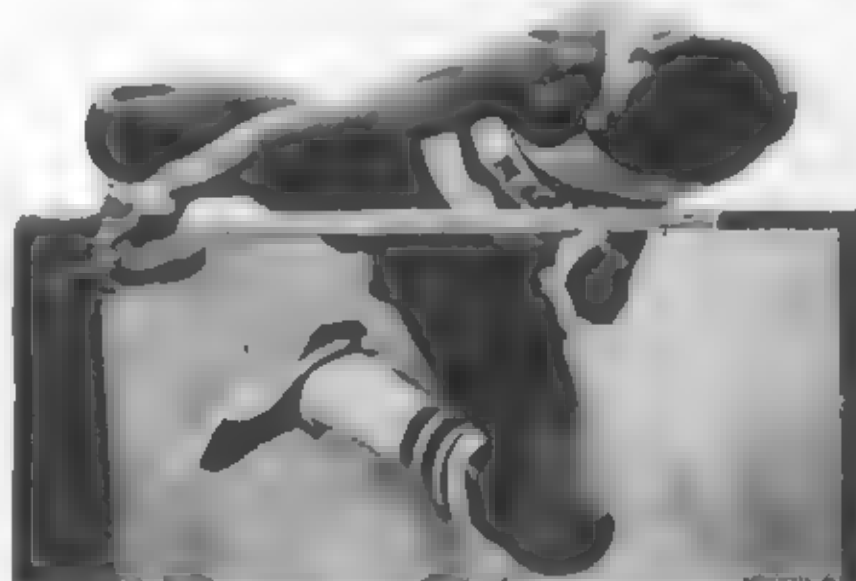

The Few. The Proud. The Marines.

Anything you can do,
You can do better...

With Marine training, you have the skills to do
of the most demanding jobs in the world.
in whatever you do. And there are hun-
dreds of exciting and rewarding career
jobs open now with the Marines. Get
the facts now.

BEST WISHES TO THE CLASS OF 1982

*May the chapter you've completed
Always prove to be
The source of many a pleasant thought
And happy memory
May the chapter you're starting
Be a rewarding one
Filled with success and achievement
And many honors won
May all the chapters that are ahead
Very surely hold
The realization of all your hopes
As they happily unfold*
